12th June 2015

Dear Parents,

On Monday the children in Class Two joined the children from Farway and Branscombe to take part in a Musical in a Day workshop and what a fantastic whirlwind of a day it was. The children embraced their new Stone Age topic with enthusiasm and a lot of concentration. They created Stone Age shapes, drama and movement to beautifully written music. They gained a very good understanding of the topic. The day was filled with lots of singing as they moved through the Stone Age in their 'supersonic time machine'. Everyone played an active part and they were very proud to perform it to the parents. The children's behaviour was outstanding and they enjoyed working with the other schools.

Here are some comments from the children about the day:

Abbie

My favourite bit was the hand-jive in the song 'Stone Age Rocks' because it was bouncy and fun. In the hand-jive I especially liked the flicking because I liked moving my hips at the same time as flicking. It was really fun!

Jasmine

My favourite part was the hunting song because it was so full of drama.

Matthew

My favourite part was 'Bodies and Bones' because we got to act and sing instead of just singing.

Thank you for all your continued support.

God bless and have a lovely weekend.

Best wishes from Katie Gray and the staff at Broadhembury School
