Dear Parents

In Class 1 this week the children celebrated Rosh Hashanah which is the Jewish New Year festival. The children tasted traditional Challah bread and made Rosh Hashanah greeting cards, learning the traditional greeting. In science the children learnt all about earthworms and Class 1 are planning to build their own wormery next week to find out more about the habitat of earthworms.

The children will be bringing home their phonics sounds to practise. They will be able to tell you the sounds if you are unsure and then they should be looking for these sounds in their reading as they come across words in their reading books.

On Tuesday this week the class 2 children had the opportunity to take part in the Honiton learning community handball tournament. So, joining forces with the other two schools in the federation we rose to the challenge. The children had a wonderful time competing against the schools in the area. They all played well as a team and showed great sportsmanship. Thank you children for doing your school and the federation proud. Next week its class 1's turn as they have been invited to a gym festival held at Honiton Community College so they will be going to do gymnastics on Wednesday.

Thank you to all those children and families who joined us at the church Harvest Festival on Sunday. It was lovely to see you all there.

Thank you for all your continued support.

God bless and have a lovely weekend.

Best wishes from Katie Gray and the staff at Broadhembury School

Question of the week

Class 1 – Would you rather have wings or four legs?

Free School Meals

From September 2014, all children in Reception, Year 1 and Year 2 in state-funded schools in England are eligible for free school meals. Some of these children would also be eligible under the current free school meals scheme and it is very important that we still identify these pupils. This is because each child registered under the original scheme attracts valuable funding for their school.

We therefore ask that you complete a free school meal registration form (available from the office) and return it to the school in order for us to identify whether you would have been entitled under the current free school meals scheme, even if you do not actually wish your child to have a free school meal.

A note from the PTFA

Our next event for your diary is a Quiz and Supper night in the village hall on the 12th November. More details to follow but please save the date and get your teams ready. It is looking to be a super fun evening. If you are interested in helping at the event or joining the PTFA please speak with Donna or Jenny.

Collective Worship

This term's worship value is Service. It would be lovely if some children could do the snail activity below and bring their snails back into school to display.

FAMILY FOCUS

Service with a smile

Complete a 'service snail'.

Living a life of **service** is about keeping your eyes open and looking out for ways to make others smile.

Draw a large smiley snail. Can you fill in the spirals on the snail's shell with ways in which as a family you serve each other in one week? When the snail shell is full take it to school to display in the Challenge Gallery.
