21st July 2017

Dear Parents,

I cannot believe that I am writing the last newsletter of the school year – time seems to have whizzed by over the last three terms. However, a huge amount has been achieved in that time. The children have had some wonderful opportunities in which to learn. They have gone on school trips linked to their topics, a residential visit to North Devon and sporting events both with the federation and learning communities. They have welcomed visitors such as the Blackdown Hills team and South West Water, and they have joined in with community events such as the Broadhembury Exhibition and The Diocesan 'Our Kingdom Come' prayer project. It seems strange that Mrs Symonds and Mrs Redding hadn't even started with us this time last year – they seem to be so established at our school. We have welcomed several support assistants during the course of the year and I believe we have a really super staff team at Broadhembury.

We also had to say goodbye to some staff during the year and today we will say good luck to Miss Cole as she moves on to her new teaching career.

We remember on a daily basis the warmth and kindness that Mrs Facey gave to us all during her time at our school – her sad passing, far too early, still leaves a void in our little school. I think it's lovely though that I often see flowers and messages left by the pupils on her grave.

And of course today marks the day when we say goodbye to our Year 6 pupils. They are a super group of children and we will miss them all. We hope that they will come back regularly to see us and tell us all about their achievements.

A huge thank you must go to my staff team at this school and across the federation. They are all a great support to me and work collectively to make such an impact on the lives of all the children across the three schools. They have had two Ofsted inspections and a Diocesan SIAMS inspection to cope with this year throughout the federation, and it is because of their dedication and hard work that your children shine on a daily basis and inspectors can appreciate what super places our schools are.

Thank you to all the children and parents at Broadhembury School for all your support throughout the year, we hope you have a brilliant, relaxing and energising summer break and we look forward to seeing you in September.

God bless and have a lovely holiday.

*Best wishes from Katie Gray and the staff at Broadhembury CE School*

### **School Meals**

Please note that as of September 2017, the price of school meals will rise to £2.30. This is an increase of 10p. This is for Key Stage 2 only, Key Stage 1 will continue to receive free school meals, as previously. Thank you.

### **Items For Our New Dolls**

We have purchased some new baby dolls for the Class 1 children – there is a boy and a girl doll. We would very much like to make an area in the classroom for them with 'baby doll' equipment. Do you have any clean dolls' clothes or items such as a baby doll cot, pram etc. that are in good condition that you no longer use or need? If so we would very much appreciate it if you could donate them to Class One.

### **Nominate our School!**

National Book Tokens have launched a competition to win £5,000 of book tokens, to transform a school library. This would be a brilliant opportunity, and would fill our bookshelves with new and exciting books. We would be extremely grateful for nominations! Search online for School Book Tokens, or visit <https://www.nationalbooktokens.com/schools#.WUOYTE-WyM9#05Ddy2e72mMsekSF.99>

## Collective Worship Activity

This term we will be focussing in school on the value of Trust. We hope your family will find these ideas helpful as you explore the value and have fun together. If the children bring back something that you have done at home linked to the Collective Worship activity, or can talk about a discussion they've had at home linked to it, then Mrs Gray will award them with a new special sticker.

### The Storm on the Lake

The disciples were just exhausted. All day crowds and crowds of people had been following Jesus, listening as he taught them about God's love and watching as he healed people who were ill. Now the sun was beginning to set over the Sea of Galilee. Seeing how tired his friends were, Jesus said, "Let's get in a boat and go over to the other side of the lake."

They rowed away from the shore while Jesus went to the front of the boat and lay down. The waves lapped gently against the side of the boat, lulling Jesus into a peaceful sleep.

Suddenly the wind began to blow dark clouds across the sky. The waves weren't so gentle anymore. The little boat began to pitch and rock. The men looked anxiously across the lake. But Jesus still lay sleeping in the front of the boat.

The wind blew stronger. Great gusts rocked the boat. Spray from the waves soaked everyone inside. But still Jesus lay sleeping in the front of the boat.

By the time they reached the centre of the lake, the wind had turned into an angry gale that whipped the waves so high that they washed right over the boat. Jesus' friends were terrified. They thought they might drown. But still Jesus slept on.

Finally, one of Jesus' friends went and shook him awake. "Master," he cried, "don't you care if we drown?" Jesus looked around. He listened to the howling wind. He felt the cold, stinging spray of the waves. He saw the fear in the faces of his disciples.

Jesus stood, stretched out his arms to the wind and the waves, and commanded: "Peace! Be still!" At once the wind died down and the waves became completely calm. Turning to them, Jesus asked the disciples: "Why are you so afraid? Do you not **trust** me?"
