22nd June 2018

Dear Parents,

The Flower Fairies have arrived in Class 1 this week! KS1 started off their week by making fairy cakes. They followed the instructions printed for them and created their own fairy decorations to place on top of their fairy cakes. They then re-wrote the instructions to see what they had remembered about instruction-writing.

The children have story mapped and learnt 'The Song of the Foxglove Fairy' which we will begin to innovate next week. In addition to this, the children have been learning about the author Cicely Mary Barker and have written fact files about her life, which they will be making into an information text next week.

Reception have been learning the book '*Jasper's Beanstalk*'. They have been practising their days of the week, and have drawn their own story map, as well as discussing what they would do with a bean if they found one.

On Monday, Class Two attended the final Honiton Learning Community Hockey event of the year. They had some well-matched rivals this time and played excellently as a team. Sadly they didn't get to the final, but they did enjoy cheering Farway on during the play offs. The winners of this year's shield were Honiton. It was noted again by the referees how much the children had improved again since our last match in the Spring Term. A huge well done to everyone who took part.

In Literacy, the children have been reading a book called 'Women in Science: 50 Fearless Pioneers Who Changed the World'. They have found it really interesting learning about inequality as well as the great discoveries these unknown women have made. They are now going to work towards making their own class book about famous women in history.

With the summer play fast approaching, please can you support your child to learn their lines. Those with speaking parts have been given scripts and song words will be given out shortly.

Thank you all for your continued support.

God bless and have a lovely weekend.

*Best wishes from Katie Gray and the staff at Broadhembury CE School*

*In September, I will have space for 2 new piano pupils. I currently come on Wednesday afternoons, and give 30 minute, individual lessons. I am happy to teach year 2 or above, no previous experience is necessary. The cost is £12.50 per lesson, paid either termly in advance, or half-termly in advance, any missed lessons will be credited, though if I arrive and find that all of them are out, I reserve the right to make a charge to cover my time/travel. If your child is interested, please get in touch with me at [empalmusic@gmail.com](mailto:empalmusic@gmail.com) before the end of this term, so that I can plan my timetable - 1st come, 1st served!*

## Collective Worship Activity

This term we will be focussing in school on the value of Hope. We hope your family will find these ideas helpful as you explore the value and have fun together. If the children bring back something that you have done at home linked to the Collective Worship activity, or can talk about a discussion they've had at home linked to it, then Mrs Gray will award them with a new special sticker.
