15th July 2016

Dear Parents

Congratulations to the children who represented the federation so well last Friday at the Honiton Learning Community Games, they all put so much effort in and did really well at all the events. We are very proud of them for coming third within the learning community.

The children have continued to enjoy sports this week as they prepared for sports day on Thursday. We were blessed with beautiful weather yesterday for the main event and the children again did very well. Well done all. Thank you to all the parents and family for coming to join us. It was a lovely afternoon.

The sports continue next week as they compete in our Jubilee Olympics, which will be taking place next Wednesday at Branscombe.

It was lovely to have our new teachers in for the meet and greet. The children seem to have really taken to them. Thank you to the parents for giving them a warm welcome. I'm sure this has put them at ease for September. Our open evening was a success and I hope you enjoyed seeing your child's work as much as we like to show it off. I would like to say a personal thank you to all the staff and volunteers who have worked so hard this year to ensure that the children cover the curriculum, and enjoy extra curricular activities, in such fun ways – a big well done to them all!

Thank you for all your continued support.

God bless and have a lovely weekend.

Best wishes from Katie Gray and the staff at Broadhembury School

Question of the week

Whole School If you had three wishes, what would they be?

Key Dates

Mrs Gray will be in across the federation next week attending the various end of term events.

Monday July 18th – Fundraising Fair for Nayamba School in Zambia 2pm

Wednesday 20th July –Olympic Sport Event at Branscombe 10am – 2pm Branscombe Village Playing Field

Thursday 21st July – Leavers' Service 2pm

Fundraising Fair for Nayamba School in Zambia 2pm

You may remember that Miss White recently went to do some charity work in Nayamba School in Zambia. This school is funded wholly by charity donations and the children in class 2 decided that they would like to try to raise some money for the school. Every penny of the money that they raise will go directly to the school. Nayamba School is growing rapidly and needs more teachers. They are also trying to build a toilet block that has toilets rather than long-drop latrines (which brings a whole new meaning to throwing money down the toilet!). This is a really worthy charity and we are proud that the children want to do something to support it.

Miss White will have further information, photos and video of the school, at the fair on Monday, should you want to know more. You could also look at <http://www.nayambaschool.org/>.

The fair is on Monday 18th July, starting at 2pm and will be finished by 3.30pm. We'd like to do the fair outside so please pray for sunshine! Please invite friends and neighbours to come too! There will be a cake stall and any donations for this would be much appreciated!

Year 6 Leavers' Service - Thursday July 21st July at 2pm – Broadhembury Church

The Year 6 leaver's service will take place on Thursday July 21st at 2pm in the church, this is a chance to say farewell to the year six children who will be moving to new schools in September. All children will be taking part in some of the singing. Parents are welcome to attend the service and to join us in school afterwards for tea and cake that the PTA will be providing. If any parents are able to donate cake or biscuits they would be gratefully received.

We have the exciting opportunity to watch The Tour of Britain Cycling on 9th September on the main road just outside Broadhembury. Are there any parents who would be willing to do a car relay to drop us all on the grass verge at Colliton Cross? It will be at about 11.45 to 12.45. We will have further details at the start of the autumn term. This is a rare opportunity for pupils to see a truly inspiring sporting event on their doorstep. It would be wonderful to give our pupils the chance to watch. Please let Sarah know if you can help.

Term Dates 2016/17

5 th September 2016	Term begins
24 th – 28 th October 2016	Half term
31 st October 2016	Non-pupil Day
